Yahoo Groups is Making Changes Soon 13 #important
Yahoo Groups will be making the following changes in the near future. Yahoo has made the decision to no longer allow users to upload content to the Yahoo Groups site. Beginning October 28, you won't be able to upload any more content to the site, and as of December 14 all previously posted content on the site will be permanently removed. You'll have until that date to save anything you've uploaded. The following features will no longer be available: Files, Polls, Links, Photos Folders...

Hello Mal99 OConnor,

You have been invited by moc66@optonline.net to join the Groups.io group HBCRiders@groups.io.

The following message was included by moc66@optonline.net:

You are being invited to join the Huntington Bicycle Club's email forum on Groups.io. By joining this group you will be able to read and post emails related to HBC club activities. For example if a ride leader cancels a ride they will post it on the Forum. After accepting this invitation you will be sent to a website where you will have to select Join Group. You will then receive an email to Confirm your Account and finally a Welcome email. To set a password to send emails from the web interface. In the top right corner of the group page select your email address, then Account. Set your password.

If you have questions about this invitation, send them to HBCRiders+owner@groups.io.

To accept the invitation, please reply to this email, or you may [accept the invitation](#) on the website.

If you are not interested, or if moc99@optonline.net is not your email address, please ignore this email.

Cheers,
The Groups.io Team
